

Go2 Group

Building • Construction • Fitouts • Refurbishments

WHO WE ARE

We are passionate and experienced builders

Go2 Group was created by three motivated and highly skilled Western Australian Registered Builders to deliver high quality Building and Construction services across a range of industry sectors.

Our services include Commercial Construction, Fitouts, Refurbishments and Building Services throughout Western Australia.

We pride ourselves on our highly experienced, qualified and dedicated teams, who are committed to delivering unparalleled, quality workmanship and service to all our clients.

Our management team has an extensive working knowledge of every facet of the building industry including;

- **Design and construction management**
- **Planning and programming of complex construction projects**
- **Fast paced fitouts, projects within occupied work spaces**
- **Regional project delivery, multi-staged refurbishments of existing structures, and general building works.**

AWARD WINNING TEAM

With consistent drive and focus, key individuals within the team at Go2 Group have become recipients of a variety of industry awards, recognising a determined commitment to safety, environment, quality and excellence in building and construction.

WHAT WE DO

Our Industry Sectors

Go2 Group delivers high quality services across a broad range of projects in Commercial Building, Construction, Refurbishments, and Fitouts throughout Western Australia. We recognise the importance of understanding our client's operations and key drivers to deliver first class results.

To ensure we have a complete understanding of each of our client's requirements, our project team leaders focus on specific sectors which include;

Commercial Office

Industrial

Health and Aged Care

Education

Retail and Hospitality

Government

Heritage

OUR SERVICES

Go2 Group deliver on quality

Go2 Group challenges each member of the team to continually progress their techniques, skills and know-how. We have immense pride in our 'Can Do' culture, our people and their industry knowledge. These are the key drivers in our ability to deliver quality and value to our clients.

BUILDING

Go2 Group have a skilled in-house team of carpenters and roofers with a diverse range of experience. Our core building capabilities are: Roof and Ceiling Repairs, Structural Repairs & Building Fabric Makegood, Building Inspections & Reports, Complete Roof Replacements & other General Carpentry and Remedial Works.

CONSTRUCTION

Our internal and external supply chain of specialist labour, sub-contractors and suppliers are carefully selected to ensure excellence in safety, quality, timeliness and budget for each individual project.

FITOUTS

The Go2 Group team have extensive experience delivering fast paced fitouts and makegoods in the Commercial and Retail sectors, both effectively and economically. Our specialist site teams of in-house labour are experienced working within highly occupied areas, ensuring minimal disruption to our clients operations.

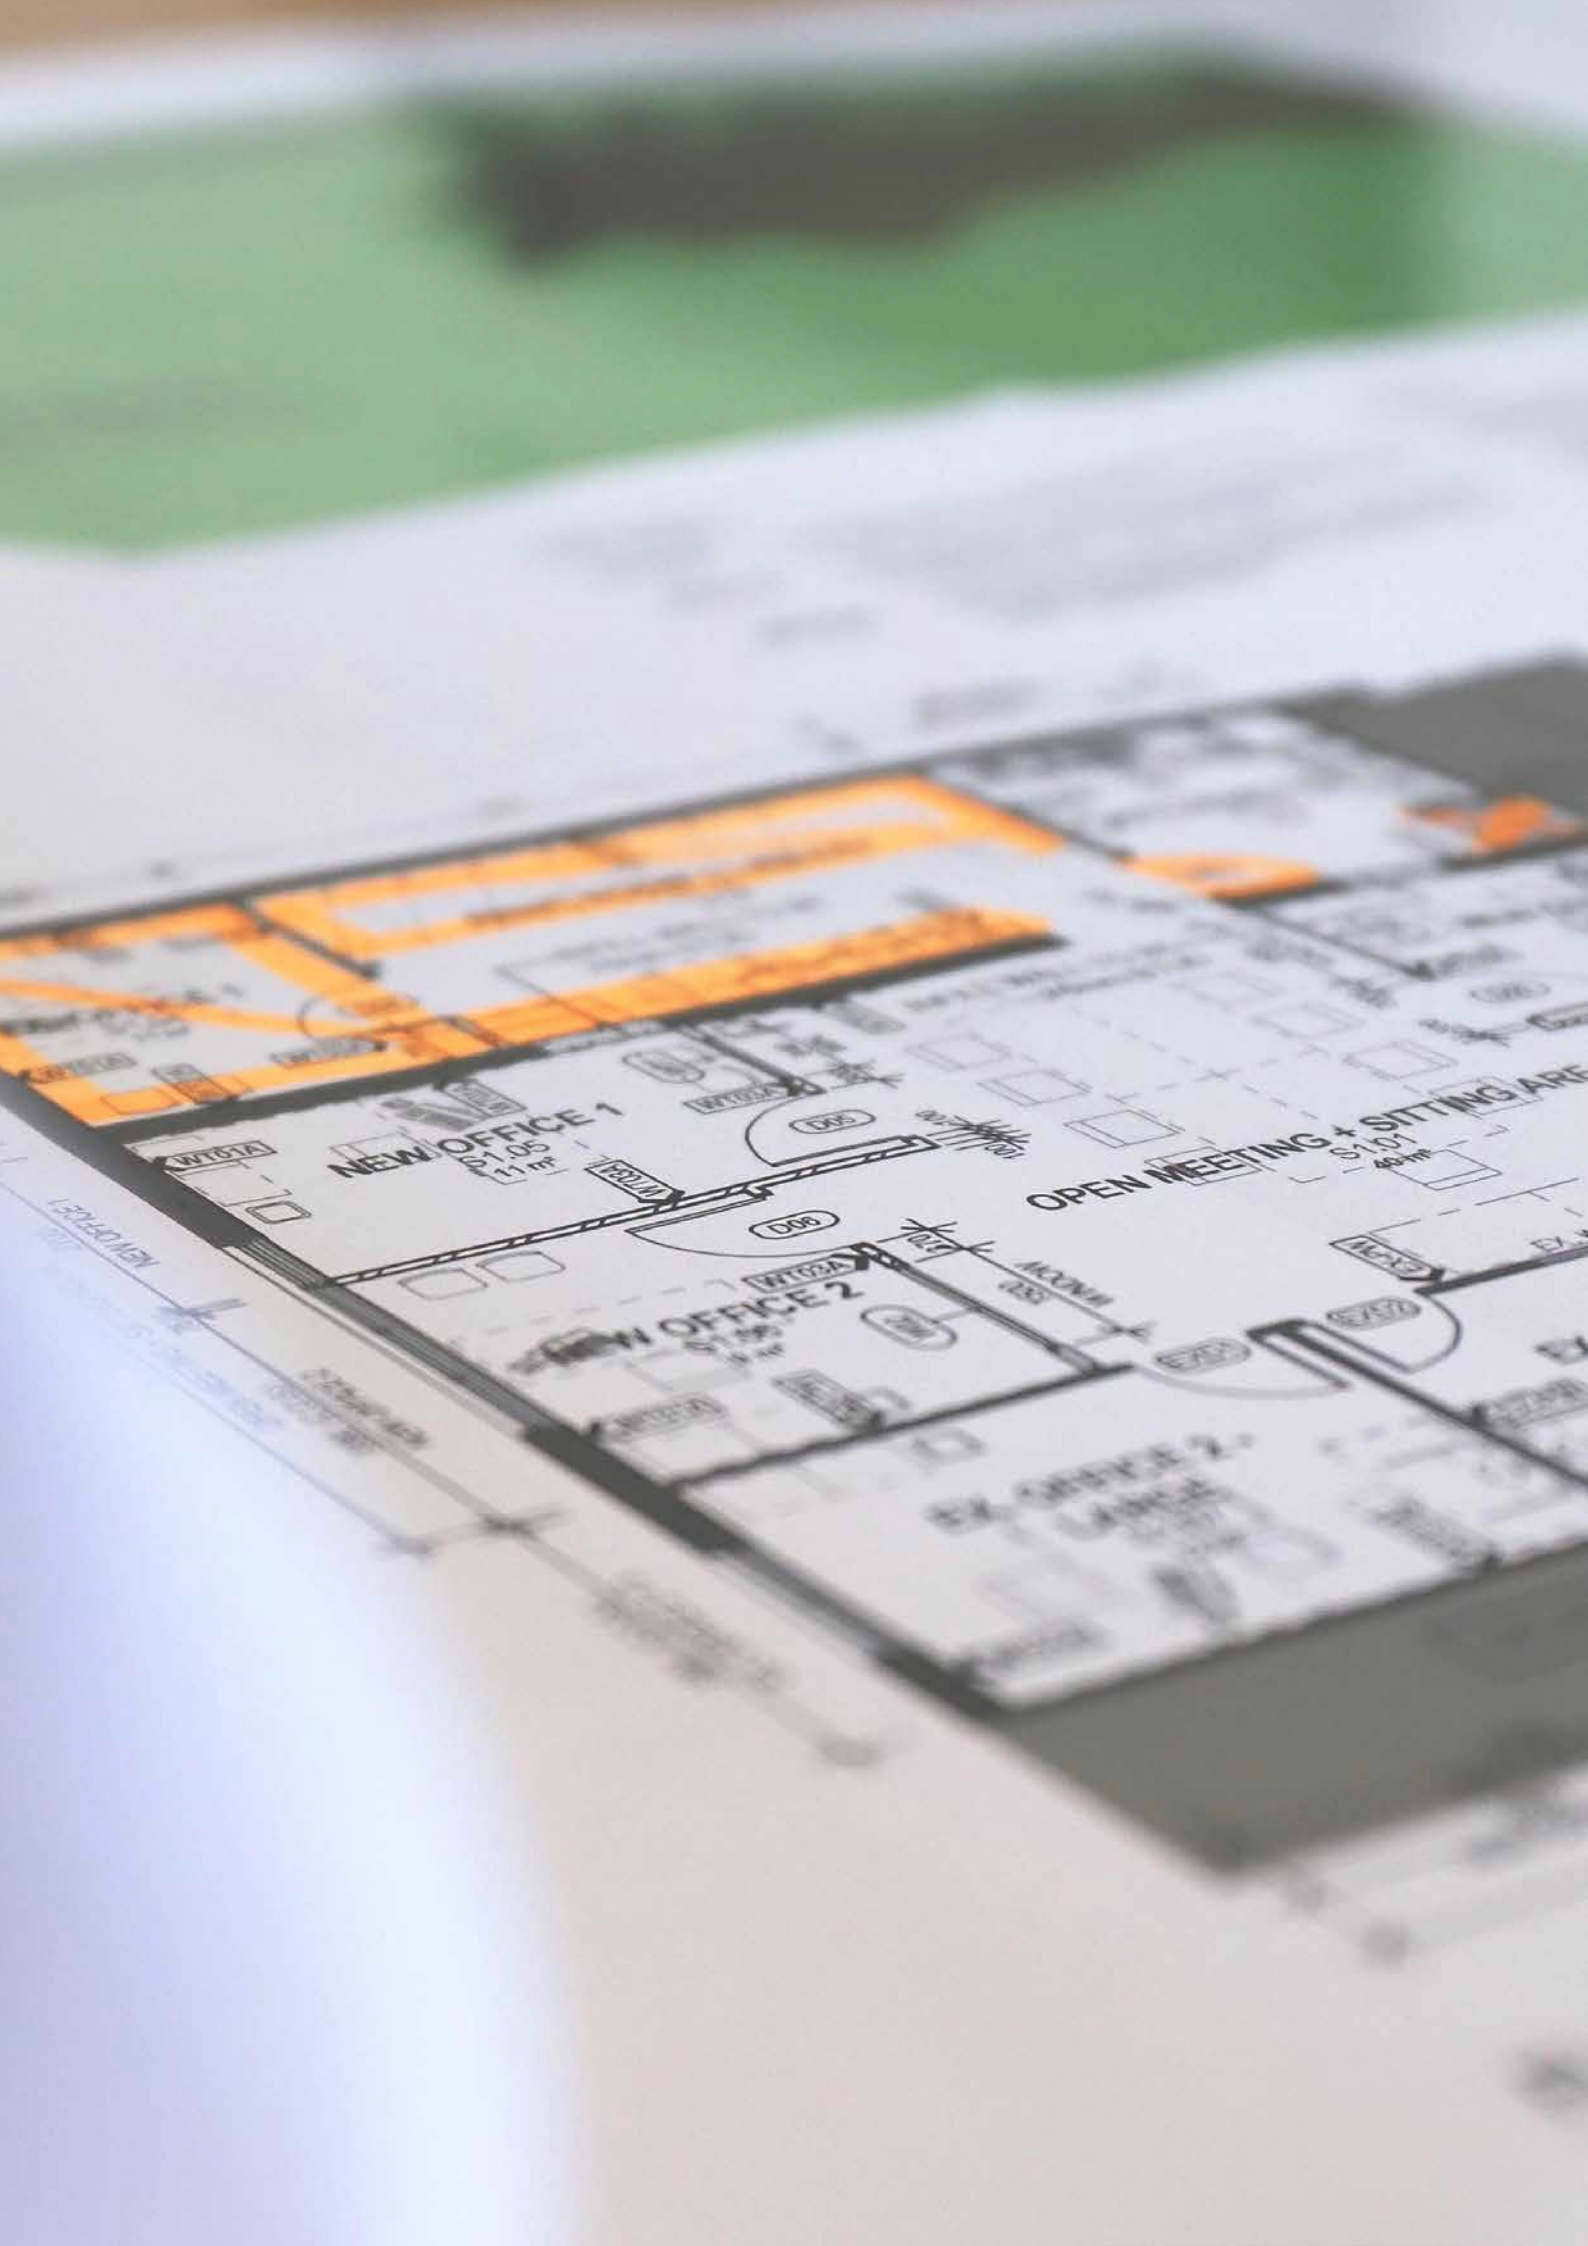

REFURBISHMENTS

Our Refurbishment experience includes Bathrooms, Reception, Lobby, Entry and External Façade Upgrades, Heritage Building upgrades, Retaining walls and Civil works, Car parking facilities and Public amenities.

FULL SERVICE BUILDER

Go2 Group can provide complete turnkey solutions from design, engineering, planning, management and building to ensure each project is managed closely. Our full-service offering avoids time and cost overruns and monitors quality of design and engineering to meet and exceed project outcomes.

OUR PRIORITIES

Go2 Group are committed to excellence

QUALITY

ISO 9001 Certified Company

We continuously work to make sure our products, services and systems are of the highest standard. Each member of the Go2 Group team is highly qualified and experienced. This ensures your project is planned, constructed, managed and delivered seamlessly, every time.

TIME FRAMES

We deliver on our promises

At Go2 Group we make sure your project is completed on time. Our programming and procurement experience drives efficiency. This means we do things right from the very start. We work to mutually agreed time frames, ensure the finished product is high quality and will stand the test of time.

SAFETY

We are committed

Go2 Group is dedicated to ensuring our sites are safely managed at-all-times for our staff, sub-contractors and the general public. The welfare of all involved is central to our operating philosophy. We have experience working in high volume traffic areas and are well versed in safely managing projects that require the client's every day activities to continue in conjunction with construction works.

CLIENT SATISFACTION

We are dedicated

At Go2 Group we foster relationships with our clients to ensure we completely understand their project and desired outcomes. Client satisfaction is at the core of our focus. We strive to provide high quality workmanship and results that exceed expectations.

WE BUILD

RELATIONSHIPS

Go2 Group works closely with our clients to deliver quality outcomes on every level. We believe effective communication creates valuable relationships with all stakeholders. Our directors maintain key operational roles within the company, ensuring pertinent communication and regular updates are delivered to our clients, staff and suppliers.

We understand that as your builder we are an extension of your company and brand. We therefore strive to provide excellent results. Our knowledge and experience along with our commitment to client satisfaction fundamentally defines us.

VISION & VALUES

We lead the way

We have our own set of values that enable the company to continually deliver on our promises, providing value-added Building and Construction Services to our clients.

Our vision for Go2 Group is for all clients to remember us for providing a unique and professional experience. We are diverse in our operations as matched by our individual and combined expertise. We continually strive to maintain and develop our highly capable and sustainable company for the future of all stakeholders.

We aim to be the preferred registered builder in our market due to our high-quality service and effective communication policies and procedures. Our goal is to enhance all areas of our client's experience.

We
UNDERSTAND

We are dedicated to planning and delivering projects that stand for quality, reliability and efficiency. Our streamlined processes ensure every project is effectively planned and managed from start to finish.

We stand for
QUALITY

We are committed to building excellence. We ensure we do things right the first time to minimise delays and create a finished project that stands the test of time.

We collaborate to
SUCCEED

We have confident and long-lasting relationships with our clients, suppliers and sub-contractors. We are proud to have successfully worked on some challenging and prominent projects throughout WA.

And we do it
ON TIME

We are dedicated to efficiency without compromising on quality or safety. Our in-depth knowledge and experience, along with our industry best practice systems ensure your project is delivered on time.

WHY CHOOSE US ?

We deliver on our promises

Our passionate management, along with our skilled and experienced teams, means we can deliver on our promises. We achieve this by utilising our professional technical experience, maintaining our focus on quality, and ensuring our safety mindfulness is applied on every project. This, along with our relentless determination to meet tight schedules is what makes Go2 Group one of WA's leading Commercial Builders.
